

## Patron Patio

**“Help us pave the way to the Future”**

The Fairfield Area Humane Society is raising funds to help build a new quarantine building. With the help of Stone Haven Landscape Design, our new building will feature a 200 square foot patio that will allow the community to be a part of the building for years to come. Three different size pavers are available, in limited quantities, for Humane Society supporters to donate and have engraved. Your paver will be implemented into the patio design and remain for the life of the patio. The growing need of our community has led us to this important time, the time to expand for the present and the future. Please take a moment to consider your legacy as a part of the Patron Patio and help the Fairfield Area Humane Society help our community. For more details on “Project Quarantine”, please visit our website at [fairhumane.org](http://fairhumane.org). Thank you for your support.

Small: 6"x6"

Up to 3 lines

14-16 characters per line

Only 65 available.

Medium: 6"x12"

Up to 6 lines

14-16 characters per line
