

Dog Park Sponsor

“Help us pave the way to the Future”

The Fairfield Area Humane Society is raising funds to help build our new dog park. With the help of Stone Haven Landscape Design our new park will transform the shelter into the premier destination for dog lovers throughout Fairfield County. Three different size pavers are available for Humane Society supporters to donate and have engraved. Your paver will be implemented into the park entrance design and remain for the life of the park. The growing need of our community has led us to this important time, the time to expand for the present and the future. Please take a moment to consider your legacy as a part of this amazing project and help the Fairfield Area Humane Society help your community. For more details please visit our website at www.fairhumane.org. If you would like to support the park on a larger scale, please contact Corey Schoonover, Executive Director, at (740)687-0627. Thank you for your support.

Small: 6"x6"

Up to 3 lines
