

K-9 BASIC OBEDIENCE

With Dog Trainer Dave

Need to work on your dog's manners with people or other animals?

Do you want to improve the relationship between you and your dog?

Dog Trainer Dave and FAHS offer group classes in spring and summer months. We will be focusing on basic obedience and proper socializing. Classes will be held on Saturdays at the Humane Society.

If you feel you or your dog aren't ready for the group setting, or you have specific issues you want to address, private lessons are also available.
